

HT3B

VERSATILE HARNESS WITH BELT

THE HT3B IS A VERSATILE HARNESS AND BELT WITH 3 ATTACHMENT POINTS

The attachment points are Rear Dorsal (primary anchor point) and Chest, with Waist belt attachment point for work positioning (The Fall Arrest points are marked on the harness with an A). Adjustable chest, waist and leg straps for superior fit and comfort. 45mm chest strap with metal buckle gives the harness further strength. 2 designated attachment loops for unused lanyards to ensure they aren't connected to harness webbing incorrectly. Front attachment loops come equipped with carabiner. Branded rubber webbing end helps when adjusting the sizes. Packed in a functionally designed drawstring bag.
