

HT3XP PREMIUM COMFORT HARNESS

THE HT3XP IS A PREMIUM COMFORT HARNESS WITH 3 ATTACHMENT POINTS

The attachment points are Rear Dorsal (primary anchor point) and Chest with Waist belt attachment for work positioning (The Fall Arrest points are marked on the harness with an A). Adjustable chest, waist and leg straps for superior fit and comfort. Light weight, moisture wicking and breathable mesh padding on the shoulders and leg straps provide additional support and increase comfort. Quick clip buckles allow the harness to be fitted much easier and faster, with 6 adjustment points ensuring superior comfort. The waist belt offers extreme comfort and support as well as offering versatility for work positioning applications. Metal parts have black surface coating for increased corrosion resistance. Branded rubber webbing end helps when adjusting. Reflective material integrated on the back and legs. Packed in a functionally designed premium shoulder strap bag.
