

Houston Oilbloc

Dual lined glove with oil protective qualities

A double lined glove with a terry outer that absorbs oils to improve grip and feel whilst the inner liner protects against the ingress of contaminants. Excellent protection from the cold and resistance to heat.

Features

- Machine knitted seamless terry outer with a comfortable oil resistant coated nylon inner liner
- Terry outer absorbs oil to improve grip and feel
- Inner lining is made of nylon and palm coated with non-porous PVC
- Excellent heat resistance and protection from the cold
- Resistant to contact heat up to 250°C
- Anatomically designed for comfort and fit
- Breathable nylon inner for reduced perspiration and skin irritation
- Sanitized antimicrobial finish provides extra freshness
